Tahoe-Ukiah Highway Celebration Planned

At a meeting of the Nevada City Chamber of Commerce Tuesday afternoon, which was attended by a large representation of the Grass Valley chamber, it was decided to celebrate the opening of the Tahoe-Ukiah highway cut-off from Bear Valley to the junction, with an appropriate program.

For this purpose, President A. G. Chegwidden, of the Grass Valley chamber, who presided, appointed the following committee of arrangements:

Jack Wolff, of the Grass Valley chamber highway department, chairman; Fred E. Conner, manager of the Nevada County Lumber Co., Phil Scadden, former Nevada City councilman and postmaster; M. T. Smith, manager of the Nevada City and Grass Valley telephone systems, and George Calanan, Nevada City clerk.

The tentative plan, which sets the date for this celebration for Sunday, November 18, outlined at Tuesday's meeting proposes that Jim O'Brien, of Smartsville, to whose untiring efforts and enthusiasm the initiation of this great highway project, is largely due, shall be chairman of the day. Vice chairman are to include the chairmen of the boards of supervisors of Placer, Nevada, Yuba, cino counties.

It is hoped that either Earl Lee Kelly, State Public Works Director, or Governor Frank Merriam, or both, will accept an invitation to be present and speak.

The tape, formally opening the splendid new piece of highway, will be cut shortly above Bear Valley and the great caravan of celebrants and visitors will be then permitted to inspect this new and beautiful link in the highway to Lake Tahoe.

YELLOW JACKETS WILL MEET SAN JUAN ON THE LOCAL FIELD SATURDAY

Coach Barron's doughty Yellow Jackets will be in good form when they face the San Juan gridders tomorrow afternoon on Cashin's field. They have two consecutive victories behind them.

This, their last home game, will be a deciding factor in making their season a successful or unsuccessful one. The San Juan high school has an excellent B team this season, having whipped the powerful Sacramento high B team. The local boys have been slightly handicapped in practice for the last two days, but have done well in practice earlier in the week.

The game will start at 2:15.

No definite line-up has been announced, but the following boys will probably see action: Allen Widaur, Curtis Clark, Don Jones, Bill Bennett, Ray Wilde, Morris Roberts, Albert Pratti, Ray Steger, Jim Stephens, Diek Benett, and Kenneth Younkin.

It is expected that the Yellow Jackets will put up the fight of the season and that, with San Juan superiority over the Sacramento B's should make the game one of the most exciting of the season.

ELK'S BOWLING TEAMS OFF WITH GOOD START

The Nevada City Elk's Club Bowling Tournament began this week with about thirty lined up for the contest. Scores so far are about average with Curnow, Johnston and Tamblyn in the lead. The present line-up will be for five weeks when there will be a new crew on the alleys:

HOGE'S TEAM Oct. 29-34

Hoge 389, Tamblyn 496, N. S. Jackson 437, C. R. Clarke 359, R. Wright 444. Games 2125.

RUMORED MOHICAN IS BONDED

It is rumored Tooley Massie, of Sacramento, has bonded the old Mohican property at Town Talk on which the Granholm dairy is now located. It also adjoins the Mayflower mine. Mr. Massie was born at Town Talk and realizes the value of mining ground in this district.

N. C. HOME LOAN COMMITTEE HELD MEETING TUESDAY

Mr. F. F. Cassidy, Chairman of the Nevada County Federal Home Loan Committee called a meeting of his executive and publicity committies Tuesday evening. The purpose of these committees is to acquaint all the people with all the advantages of the Federal Home Loan, and to assist them in every way possible in making their desired improvements. To this end a committee has been appointed to be at the chamber of commerce to consult with those interested. Mr. Donald Stranburg was there yesterday and Mr. C. M. Brown will be there today. Mr. Strandberg and Mr. C. M. Brown will be glad to explain the possibilities of the Home Loan.

It is hoped that those who are "thinking about it," will come to the Chamber of Commerce and talk to Mr. Brown today. Committee members will be at the Chamber next week also. If it is impossible for anyone to call at the Chamber of Commerce if they will phone a representative will be sent to them to explain the Federal Home Loan and its possibilities.

RESIDENT SUBDIVISION BEING DEVELOPED HERE

Realizing the need of additional homes for our increasing population a new subdivision is being developed in Nevada City.

C. M. Brown, local real estate man, has started work on a seven acre tract of land within the city limits and has announced a program of improvements for the development of the property.

Last week Brown had equipment working, leveling and grading the streets and is now busy dividing the tract into lots.

"Wood Acres," the name chosen for the property, is one block west of Nevada street, and is the spot that many will remember as old Chinatown. This is a beautiful section of Nevada City, with an abundance of trees and centrally located being, about three blocks from the grammar school. The property is to be divided into large lots and the plan calls for two small park areas. City sewers and water mains are already on the tract and within a short time an announcement will be made of the opening of the property for the sale of lots.

SNIPER INJURED IN FRACAS

An altercation took place Tuesday afternoon at the Plaza between John Christenson and a sniper from Red Dog by the name of Popper. Popper who it is alleged drunk, demanded that Christenson take him to Red Dog. When Christenson refused, Popper opened the door of his car and attempted to force him to go to Red Dog. Christenson knocked the man down and he hit his head on the curb. Police Chief Garfield Robson took Popper to the county hospital where he was treated for cuts, and later removed to the Jones Memorial hospital.

Mrs. R. M. Ewing moved to Pike City Thursday to reside. Mr. Ewing is employed at the Alaska mine.

SINCLAIR MAY QUIT RACE AND SUPPORT HAIGHT

The Young Democrats of Nevada County are meeting tonight in Grass Valley to consider sending the following telegram to Upton Sinclair:

Upton Sinclair,
Los Angeles, Calif.

We the undersigned Nevada County Democrats and Progressives respectfully ask you to withdraw from the gubernatorial race and to throw your support to Raymond L. Haight.

All straw ballots, personal observers and press reports indicate that you cannot win and that by staying in the race you assure the election of Merriam and his reactionary gang. Your withdrawal will be of immense benefit to the people of California.

Sinclair sometime since made the public statement that in event he was convinced he could not win he would withdraw from the race. Sinclair is said to be very bitter in his feeling toward Merriam because of the deliberate misrepresentation, distortion and misconstruction of Sinclair's utterances and writings.

If Sinclair were to throw his support to Haight, who throughout the campaign has treated Sinclair fairly, Haight would win easily by a large majority.

Advices received by the Nevada City Nugget from Los Angeles yesterday, are that thousands upon thousands of voters there are deserting banners of both Merriam and Sinclair and lining up behind Haight. Whether this shift, without Sinclair's withdrawal, will be sufficient to elect Haight or not, cannot be determined until November 6.

STRAW VOTE OF NEV. CITY HIGH STUDENT BODY

A straw vote was taken at the high school Wednesday noon. About 125 students voted at this election and the results should show fairly accurately what the general trend of the vote in this district will be. The results were as follows:

For Governor

Darcy, Communist	3
Dempster, Republican	0
Merriam, Republican,	64
Sinclair, Democrat	13
Haight, Commonwealth	45

For Lieutenant Governor

Perry, Communist	7
Southwick, Socialist	2
Hatfield, Republican	86
Downey, Democrat	23

For Attorney General

Webb, Rep, Dem. Prog.	90
Shows, Proh. Commonwealth	13

Third District Board of Equalization

Collins, Rep.-Dem. Unopposed.

For U. S. Senator

Kirkpatrick, Socialist	9
Johnson, Rep. Dem. Progressive, Commonwealth	111

For Representative in Congress

Second District Unapposed.

For Member Assembly 6th District

Mayo, Rep.-Dem.	83
Pyle, Communist	13

For Sheriff

Carter	54
Tobiassen	58

For Secretary of State

Ashe, Communist	5
Stevens, Commonwealth	16
Jordan, Rep.-Dem.	87

For Controller

Whitney, Communist	12
Riley, Rep.-Dem.	92

For Treasurer

Ward, Democratic	23
Brown, Communist	9
Johnson, Republican	77

There seems to be a majority of Republican high school students, with a large minority of Democrats and a few Communists. The Socialists fared worst of all, having a handful of votes.

MACHINERY ARRIVES

The pan scraper for the Nevada City airport passed through town Wednesday enroute to the airport. A Sacramento contractor was awarded the contract last week end and has thirty days to complete the job.

$5,000 FEDERAL FUNDS WILL BE EXPENDED IN G. V.

A letter to the Nugget from Earl Lee Kelly, State Director of Public Works states that Chairman Harry A. Hopkins, of the California Highway Commission, reports the Commission has allocated from Federal funds apportioned to this state the amount of $5,000 for immediate expenditure on highways in Nevada county.

This allotment will be expended for the resurfacing of portions of the Grass ValleyAuburn road within the city limits of Grass Valley. This type of work, conducted by the state through cities, is not only an improvement to the state highway system but is of great assistance to the cities where the work is performed.

FEDERAL LOAN GOES LONG WAY IN THIS HOME

One of the most enthusiastic believers in the Fedral Home Loan is Mrs. John Deschwanden who lives on the Banner road. Mrs. Deschwanden states she has been longing for home improvements for some time when along came the Federal Loan. Her two children, aged two and four years, are growing more active every day and they needed more room to live in. Also Mrs. Deschwanden believes an attractive roomy home has a fine influence on the growing child. Mrs. Deschwanden studied her needs for more room, light and household conveniences and then went to the bank. Securing the loan was a simple matter. The three main things the bank wanted to know were: Did the Deschwandens have title to their home? (if it had had a mortgage on it that would not have prevented the loan provided the mortgage were in good standing.) Did Mr. Deschwanden have regular employment? And did the Deschwandens have good standing in the community?

To all these queries the bank had no trouble in finding an affirmative answer—so they arranged a loan; $800 to be spent immediately to improve the home on the Banner road.

The improvements consist of one large new room downstairs, a large porch in the back enclosed in glass and a garage. The upstairs has been completely modernized. The entire upper story has new floors and has been papered throughout. The woodwork has all been newly painted.

Dormer windows have been added to the front up-stairs and large double windows at the back upstairs.

Of the $800 loan, $450 went for lumber, $150 for labor and the rest for plumbing, windows, etc.

MISS E. PHILLIPS WILL SPEAK FOR MERRIAM AT THEATER TODAY

Miss Estelle Phillips, of Sacramento, will address the public this afternoon in the interest of Governor Merriam candidacy.

Miss Phillips was a guest here last April during the Women's convention and is recognized as a practical, forceful speaker.

The Merriam committee under the leadership of Mrs. Gildersleeve invites the public to attend the meeting this afternoon at 2 o'clock at the Nevada Theater.

MURCHIE MINE

A new vertical shaft is being raised from a hanging wall crosscut on the 1600 foot level at the Murchie mine. After raising 100 feet the company plans to sink from the 1,600 foot level to the 2,050 foot level with additional depth for a load pocket.

In newly developed ore the Newmont Company, which owns the Murchie mine, has opened up enough ground to keep the property working for many months it is stated. The company employs 285 men at the Murchie mine.

Hallowe'en Hoodlums Smash Windows in New Home on Piety Hill

Hallowe'en hoodlums, reported to be high school students, Wednesday evening, smashed five windows with stones in the new residence of Mr. and Mrs. H. E. Kjorlie on Piety Hill. The damage amounted to approximately $60, for included in the smashing was a large plate glass window valued at $40. Stones hurled through the windows dented the hardwood floors of the living room.

This outrageous act of vandalism occured before eleven o'clock, while Mr. and Mrs. Kjorlie were absent.

Sheriff Carter yesterday morning went to the high school and interviewed a number of boys, who might have some knowledge of this dastardly offense.

It is proposed to hold a special session of the Superior Court, Judge Tuttle presiding as juvenile magistrate, and thoroughly to sift all evidence gathered against those suspected.

Members of the high school board individually expressed their intention to take appropriate action to discover and punish those responsible for the outrage visited upon Principal Kjorlie and Mrs. Kjorlie.

Under Mr. Kjorlie's principalship, acts of violence and vandalism which too frequently occured under former high school regimes, have been largely abated.

This recrudescence of vandalism Wednesday night has aroused the indignation of Nevada City. Citizens yesterday expressed the hope that those responsible will be apprehended, forced to make good the damage done, and expelled from school, so that their lawless example may not influence corruptly other students.

Further down the street the fence in front of the George Hall and Charles Ninnis homes were pulled down. Rocks in the wall around the lot of District Attorney Wright on Winter street were pulled out in places.

Three special officers were hired and Chief of Police Garfield Robson assisted by A. Eddy cruised the town until one o'clock. H. H. Hallett acted as desk sargeant, with two other officers in the business district. A few signs were pulled over and a few other pranks played and the business district had the usual marked windows.

MUSICAL TREAT TRINITY CHURCH SUNDAY NIGHT

An unusually fine musical treat has been arranged for the evening services at Trinity church for Sunday evening, November 4. Some of Nevada City's and Grass Valley's best talent will be on the program. Once a month evening services are held at Trinity church and Rev. Charles Washburn is endeavoring to make them memorable evenings. The program follows:

Solos by Mrs. Catherine Celio, Mrs. Charles Elliott, and Mrs. Jack Wolff, Mrs. L. V. Dorsey and Miss Jeannie Wright, and a duet by Mrs. Ray Packwood and Mrs. Christian Anderson. Mrs. W. H. Goede will play a violin solo. The accompanists during the evening will be Mrs. Oakley Johns and Mr. Marshall Geiselman.

The Rev. Charles Washburn will give a special address entitled "Religion and Big Business."

The public is cordially invited to attend these services and programs which will undoubtedly be the finest musical treat of the season.

JOHN BYRNE'S PASSING SAD NEWS TO NEV. CITY

The news of the death of John D. Byrne at the veterans hospital at Oteen, North Carolina brought sadness to many Nevada City friends that he had during his boyhood and young manhood here.

Born in Nevada City on September 29, 1897, left an orphan in his early boyhood, he was reared in Nevada City by his grand aunt the late Mrs. Mary O'Shea. He attended the public schools of Nevada City, graduated from the high school in 1916.

He was the son of the late Thomas Phillip and Mary T. Bryne and a grandson of the late John B. Byrne, for whom he was named. Miss Annie R. Byrne, of Grass Valley is an aunt of the deceased.

He is also survived by his widow Margaret Byrne, and three small children, Mary Margaret, Phillip and John (Buddy) Byrne, who reside in Columbia, Georgia.

Interment will be made in Columbia, Georgia.

HELD TO ANSWER

Frank Fitzgerald and James Gasque were held to answer to the superior court after being heard in Judge Mobley's court on Wednesday. They were held for alleged burglarly, it being charged that they took 600 feet of cable from the hoist house on the Boreham property at Town Talk.

BIRTH

BORN—At Nevada City Sanitarium to Mr. and Mrs. George Wasley, a daughter on Wednesday, October 31, 1934.

TUTTLE GRANTS VENUE CHARGE IN DAMAGE SUIT

In a decision in the case of Lois V. Peoples, plaintiff, vs. Carl Power Jones, defendant, Judge Tuttle handed down the following decision:

Plaintiff seeks to recover damages on account of an operation performed by defendant without the consent of the parents of the minor.

Plaintiff now moves the court for and order transferring the case to Sonoma county for trial, that county being the place of her residence. The motion is made upon the ground that the convenience of witnesses and the ends of justice will be promoted if it is granted.

Each party has filed affidavites showing the names of his witnesses, and a statement of the facts to which they will testify at the trial. The witnesses for plaintiff are Julia B. Peoples, Joseph S. Peoples, Dr. S. Z. Peoples, Dr. Samuel S. Bogle, Dr. William E. Bixby, Dr. Walter J. Seawell and Dr. Elmer T. Noall, all of whom reside in Sonoma These doctors will not be called as experts. Most of them assisted in performing operations upon the plaintiff which it is alleged were necessary on account of an infectious condition following the operation by defendant, due to the fact that some sanitary provision or requirement had not been compiled with. If they were merely expert witnesss the court would disregard their testimony upon a motion of this character, but where such witnesses, while they may be experts, have personal knowledge of the facts, the court is bound to consider their convenience. (Security Invs. Co. vs Gifford, 179 Cal. 278). From such operations and from examininations made by these doctors they will testify, according to the affidavits, that the operation performed by defendant was not an emergency one, and they will also testify as to the nature and extent of such operation.

From the affidavits filed by defendant, it appears that his witnesses are himself, Dr. W. W. Reed, Margaret Linyard, Ethel O'Connor, Robert Corbett and Mattie Corbett. As to defendant, the inconvenience of a party is not a factor to be considered on a motion of this character. (Wrin vs. Ohrlandt, 213 Cal. 158). As to the next two witnesses, it appears that they are employees of defendant. The convenience of employees cannot be considered on

"GIVE US MEN TO MATCH OUR MOUNTAINS"

Is Sinclair of New Jersey, and way points, a man to match our Mountains?

Is Merriam from Iowa and points West, a man to match our mountains?

Are either of these men worthy in record or character to be governor of California?

When you go to the polls Tuesday, ask yourself these questions.

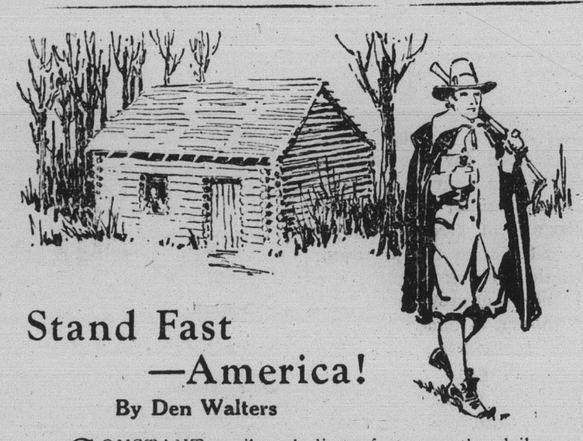
One man alone, candidate for governor of California measures up to that proud invocation, answers in character, in spotless record, and in ability, that prayer: "God send us Men!"

Raymon L. Haight, was born in California of sterling 49er stock. The old log cabin of the first Haight to arrive with the gold rush, still stands, a family shrine, in Shasta county.

Reared in the great family tradition of service—Governor H. Haight was a great uncle—Raymond L. Haight is the only progressive candidate for governor today. He is heir to the political faith of Hiram Johnson, California's greates governor.

Why vote for little men, for Sophists and dreamers, for turn coats and schemers—when a leader, young, virile, outstanding in achievement, asks for your ballot?

Let us reject with dignity both "reformer" and "performer," and elect a leader.



Stand Fast —America!

By Den Walters

CONSTANT peril and discomfort was the daily lot of those courageous men and women who founded America!

Lurking savages and wild beasts threatened them in their lonely log cabins. Uncomfortable corn-husk mattresses, candles or crude oil lamps, food from gardens and patches of grain literally "hewn" out of the wilderness, heat for all purposes by open fireplaces or inconvenient wood stoves, clothing hand woven and hand sewed—this was life in America in the early days.

But these pioneers "stuck together".

They originated the "town meeting"—fore-runner of our present system of elections. They ALL attended these meetings—and they ALL voted!

Today—even those of the most modest income, have electric lights, gas heat, radios, automobiles, telephones, attractive homes.

But today—America faces new perils that threaten our homes and our very existence as a nation!

Communism is organizing here in an effort to overthrow our Government by force and violence. Visionaries and radicals are trying to get control of our affairs through election to official positions.

We, in America, TODAY must rally to the colors. Important national organizations are warning us that we must act together NOW—if the liberty we value so highly is to be preserved.

E. R. West, President of the United States Junior Chamber of Commerce; Ed. Hayes, National Commander of the American Legion and Michael F. Shannon, Grand Exalted Ruler of the Elks—these are only a few of the national leaders who are issuing solemn warnings to us all—based on their knowledge of actual facts regarding Communist and other radical activities.

If we should ALL vote—and, in God's name why shouldn't we—just as our forefathers ALL voted when danger threatened, this peril can be averted. Stand Fast America—and Cast Your Ballots.

Futility

If all the rimes I ever wrote
Were fed to one lean, lanky goat,
I'm sure he'd grow so sleek and trim
And gain so much in strength of limb,
That he could leap from crag to crag,
All day, and show no trace of fag
In brain or brawn.

If all the rimes I ever wrote
Were placed upon a ferry boat
And jettisoned out in the bay,
Of course they'd sink without delay,
And silly fish with goggle eyes
Would stare at them in mild surprise,
Both night and day.

If all my verses, I contend,
Were laid precisely end to end,
They'd reach to outer realms afar—
Perhaps they'd fret the evening star;
And there against the fields of night,
I'd see the simple things ignite
And burn ingloriously.

If all the rimes I ever wrote,
Were on the Yuba's tide afloat,
And drifting swiftly to the sea—
What difference to you and me?
Why do I write these futile things
To which such scant importance clings?
Nobody knows.

—A. Merriam Conner.

From Aunt Sarah

Here is a tamale pie, a recipe from an early California family, that is better than tamales and improves when warmed over the next day. A handy cold weather dish to have prepared when week end guests are expected.

Tamale Pie

1 lb. round of beef.
1 lb. pork steak.

Cut into small pieces (leave fat on) and cover with water, cook until well done. Keep covered with water while cooking, about on hour. When meat is done add:

4 teaspoonsful chili powder.
3 doz. ripe olives.
2 doz. seeded raisins.
2 cloves garlic.
Salt to taste.

Then thicken the meet gravy with one or two tablespoonfuls of corn meal and boil about five minutes. Turn this mixture into a two quart pan lined with corn meal crust. Put pats of the crust on top and bake in a hot oven about 45 minutes.

Corn Meal Crust for Tamale Pie

Two-thirds cup lard.
1 pint boiling water.
1 cup corn meal.
1 teaspoon salt.

Put the salt, water and lard in a kettle, and bring to a boil. Slowly stir in the corn meal. Boil about five minutes. When cool enough to handle, spread on bottom and sides of the two quart kettle. Turn the meat mixture into this. Put small round pats of the crust on top and bake.

OLD HOUSES CAN BE MADE GARDEN HOMES

National Housing Act Has Made Loans Available on Easy Terms for Modernizing

What could be a more interesting venture for a woman than to transform an old, dingy-looking house into a modern garden home?

You may find the opportunity to do this now as a result of the credit facilities made available by the National Housing Act. You may borrow up to $2,000 from one of your local banks or other financial institutions which has been approved by the Federal Housing Administration and pay the money back on easy terms over a period of as much as 3 years, (5 years in special cases).

The photographs here show how an old, dilapidated house was transformed. The English garden in the rear, with its vine-covered fences and lattice-work, makes a cozy retreat at the close of day.

In modernizing this property, the brickwork of the house was repointed and cleared, new shutters, trim, and awings were added and an attractive rear entrance to the house was built.

How much more attractive this is than the old unsightly back yard.

There is no limit to the ingenuity which can be displayed in bringing old homes up to date. There are so many interesting things which might be done. And you can now do work of this sort inexpensively as a part of Nevada County's Better Housing Program.

Remember that in investing in improvements to your property no down payment is required if the cost does not exceed $2,000. You can pay the cost monthly according to your income, and the charges are the lowest ever offered.

EAGLE BIRD MINE CLOSES

The Eaglebird mine, seven miles from Washington, is to close down on the first of the month and will be left in charge of a watchman.

BANK OF AMERICA REPORT SHOWS AN INCREASE OF 24 PER CENT THIS YEAR

The Bank of America N. T. & S. A., and its associated state bank, based on the called report of October 17, 1934, show an increase in deposits of approximately $180,000,000 over the called report of October 25, 1933. This is an increase of 24 per cent for the period of approximately one year. During the same period United States bond holdings increased $114,000,000 and other bonds owned $37,000,000. Total resources show an increase of $174,000,000. The figures do not include the bank's London Branch.

WATER FOR NEW HOMES

The Nevada Irrigation District sent a drag line and equipment through Nevada City Wednesday morning to excavate for a reservoir up near the Murchie mine on the Red Dog road. It will serve water to customers in that section.

About 30 new homes have been built from the eastern city limits of Nevada City for a distance of about a mile and a half, or out to the Murchie mine. Some of these home owners have had to carry or haul water for a time and will welcome the new water system.

CHARLES BENNETTS RETURNS

Charles Bennetts, son of Mr. and Mrs. R. J. Bennetts, and wife, of San Francisco, arrived in Nevada City this week to make their home.

After he graduated from the school of pharmacy Charles Bennetts accepted a position with Dr. Shumate's pharmacy in San Francisco where he has been employed the past five years. He has accepted a position with the R. E. Harris Drug Store in Nevada City and has started to work there yesterday. R. E. Harris purchased the drug store from young Bennett's father, several years ago.

R. Steger and sons have just completed repairing the Thomas Coan house that was injured by fire a few weeks ago.

YOUR BASEMENT MAY BE PUT TO GOOD USE

Modern Heating Equipment Is Bringing This Long Neglected Space Back to Use

Has your husband always wanted a den where he could putter about and muss things up without being disturbed?

Perhaps you can build one for him now in the basement or in the attic or in some other unused part of your home. The National Housing Act is designed to make possible needed and desirable improvements of this kind.

You can build such a den now without a down payment and on reasonable monthly terms suited to your income.

See your local bank or other financial institution which has been approved by the Federal Housing Administration. They can now make loans to you for improvements of this sort and at the lowest charges ever offered.

Think what fun you would have in planning such a room. There are so many new products on the market which can be used in finishing it. Most attractive effects can now be provided at little cost.

The photographs here show how one unused basement was converted into a cozy study.

Of course, before you do this work you should see that the floors and basement walls are waterproof. Otherwise the draps and carpets and decorations may be spoiled. Then it is well, if you have not already done so, to install one of the cleanly new heating units which will give you added space.

Floors can be covered with one of the many colorful materials now on the market. A new stairway might be built leading directly to the room. Built-in book shelves will add to its appearance.

Many projects like this which make for better living are being undertaken by home owners now as a part of the National Better Housing Program.

Voters of California!!

California's Prosperity, Law and Order Demands Sane, Enforceable Liquor Regulation. This State Has No Use for the Vice, Graft and Crimes of Prohibition

Here are the facts on two vital measures:

YES

Proposition No. 2

Legalizes sale of beer, wine, and liquor in reputable restaurants, dining rooms, clubs and other legitimate eating places.

Prohibits return of hard-liquor saloons; gives State Board of Equalization sweeping power to wipe out undesirable establishments.

Safeguards employment of thousands in agriculture, business, industry.

Protects California's great tourist business, with its $200,000,000 in new money.

Will give California sane, enforceable liquor regulation, a law worthy of respect.

NO

Proposition No. 13

This local option measure will bring back prohibition in its most drastic form. Gives dry minority power to vote your precinct, city, or county "bone-dry."

Makes it criminal for you to buy, sell, transport, or possess beverages of more than one-half of one per-cent alcohol.

Will return prohibition, with the bootlegger, graft, crime and corruption—and will confiscate business properties such as breweries, wineries.

Raises a barrier to the rich tourist trade and will cause irreparable damage to California's economic recovery.

There Can Be But One Choice

FRED E. STEWART, member of the state board of equalization, says:

"The present liquor law is utterly unworkable. We were given a tremendous responsibility and a law with no teeth in it. Proposition No. 2 clearly gives us the power to clear up prevailing conditions. The liquor business must be rigidly controlled. It cannot be so supervised if the present law is continued. It is essential that the people of California vote YES on Proposition 2."

Vote YES on Proposition 2

Vote NO on Proposition 13

NEVADA THEATER OFFERS FINE WEEK END PROGRAM

The main attraction at the Nevada Theater Friday night is "The Fighting Cowboy."

Buffalo Bill Jr., has always been one of the favorite Western stars, for he combines all the daring of the best of them with an acting ability that is rare with screen cowboys. This new picture is one of Bill's best. It leaps into action with the first scene and maintains a lightning pace to the final scene.

A tender romance that stirs the heart with its depth of human feeling is offered in "Have a Heart," first starring vehicle for Jean Parker, whose vivid talents have raised her to the highest Hollywood rating. The picture will be shown at the Nevada Theater Saturday night.

As "Sally," the crippled doll maker, who finds love in spite of her handicap, Miss Parker plays a complete range of feeling from depths of pathos to sparkling comedy.

James Dunn, in the male lead as Jimmie Flaherty, vendor of "Have a Heart" ice cream, is warmly sympathetic and makes an ideal romantic partner.

"CRIME WITHOUT PASSION"

A vividly exciting, handsomely mounted and presented film, Paramount's "Crime Without Passion," which will be on the screen at the Nevada Theater Sunday, presents some of the most commendable acting, astute direction, and praiseworthy camera work and special effects that any picture has offered in years.

Written, produced and directed by Ben Hecht and Charles MacArthur, the film features Claude Rains, and two girls new to pictures whose performance should soon earn them stardom. They are, Margo, the SpanishAmerican dancer, and Whitney Bourne, social registrite and stage actress.

Rains acts the role of the principal character Lee Gentry who terms himself "the soulless champion of the damned" with consummate artistry.

Through his romantic entanglements he himself is involved in a crime. Then pursued through the streets of New York by the scruples of conscience, which we actually see on the screen, he proceeds to create a fool-proof alibi for himself.

SAN JUAN MINE

The San Juan mine, west of San Juan, is testing out under ground ore bodies by draining out the old shaft and using a diamond drill.

Trenching is being done on ledge matter on the surface to determine the extent and values of the exposed veins. Twenty men are employed with C. J. Lyser as superintendent.

MID WEEK PROGRAMS AT RAINBOW GARDENS

The management of Rainbow Gardens, located five miles from Sacramento, out the Auburn Boulevard, announces in addition to their regular Saturday night dances, two special Mid-week programs.

On Thursday night, November 8, comes Jack Mills, greater music, with his fourteen artists.

On Thursday night, November 15, the "Maker of Stars" coming in person, Gus Arnheim and his orchestra. On last month's trip here over 1500 dancers came from all parts of California to see and hear this world famous orchestra.

GUILTY MAN SENTENCED TO SAN QUENTIN TUESDAY

S. E. Tallman was found guilty and was sentenced to serve an indeterminate sentence in San Quentin prison. He was charged with an offence against two small boys in the Hills Flat district.

District Attorney W. E. Wright and Deputy Robert Tharp conducted the prosecution and Vernon E. Stoll of Grass Valley, was attorney for the defendant.

Sinclairism—the program of Upton Sinclair and his radical associates—is Communism, cleverly disguised, but deliberately designed to Russianize California state government.

It is rooted in class hatred, fostered and fomented by radicals who boast of their hatred of American ideals and American principles of government.

IF IT IS SUCCESSFUL, IT WILL DESTROY CALIFORNIA'S BUSINESS STRUCTURE, BANKRUPT OUR FARMERS, OVERTHROW OUR ORGANIZED LABOR, CONFISCATE OUR HOMES, WRECK OUR INDUSTRIES AND ROB OUR EMPLOYED WORKERS OF THEIR EMPLOYMENT.

It is a definite, unmistakable attempt to establish a Soviet State in California—to be headed by a Godless Governor, who Prates of Free Love, sneers at marriage, slanders our churches and looks forward to the day when (quoting Upton Sinclair's own words) "we may see in America that wonderful sight which we saw in Russia, when Christian monks assembled and burned their holy books"—the day of Revolution!

Your personal security is at issue—the welfare of your home and family; your American citizenship, your rights of self-rule and freedom of worship—your job and your independence.
